REFERENCES

Are available upon request...

Studio KB

Los Angeles, CA — 2012-2014

Worked as a freelance rendering artist for a studio specializing in retouching. The projects were primarily for Nissan.

Accomplishments

- Rendered a 360 interior of the Nissan Armada.
- Rendered airbag visualizations and seat configurations.
- Rendered tires and emblems of 360 turnarounds of different vehicles.

ID Group Inc.

Los Angeles, CA — 2011-2012

Primary job was to model prototype assets of airline cushions.

Accomplishments

- Worked in Maya and created many different airline seat models.

Harmon Kardon

Los Angeles, CA — 2010-2011

Worked as a freelance artist on rendering a speaker prototype for Harmon Kardon with different specifications for the iPad and iPod.

Accomplishments

- Created stills and 360 turnarounds of a prototype speaker demonstrating different configurations per device.

Bunkspeed

Carlsbad, CA — 2009-2010

Worked as an applications engineer. Created examples using their proprietary rendering software, hosted webinars, and helped support QA.

Accomplishments

- Trained a designer from Mercedes on the use of the software.
- Hosted webinars and lessons on the product.
- Created product examples to show on the company website.
